Jesus, sending out his disciples, commanded them not to take anything for the way (Mk 6: 8). In the summer and He will tell this to us...

Will we get carried away by the Gospel?

We are preparing a #youthcamp for July. Young people from different parts of the world will come to Rybnik. This is to be a celebration of the joy of experiencing faith. Not only for them, but also for us... Feel invited to join the project!

The camp will be held at the beginning of July. It will comprise three parts: workshop, "adventure" and the final. The first part will be based on the Campus. Young people will participate in thematic workshops, meetings with interesting people, while at the same time integrating and the acquiring practical skills. They will then experience adventure on the way: it will take them two days to walk to famous Silesian sanctuaries. Not only nearby Rudy, but also Piekary Śląskie or Częstochowa are planned! They will not take any money with them, they will not have any accommodation booked - they will ask for support people they meet on the way. They will learn (simply) how to trust and live with God Himself... Everything they experience they will tell us right after coming back! For the final there will be evangelization, followed by some concerts that are being prepared by the Town authorities. As it was during the World Youth Days, the participants of the camp "will build" the atmosphere of the feast of the young. Their joy, openness and enthusiasm, combined with music flowing from the stage is to affect all inhabitants of Rybnik. We want it to be a great "youth festival"! We would like to, but we need your help!

Since January we have been looking for families who would like to take the pilgrims in, give them some room, feed them (Ideally, it would be families with children about the same age of our guests). Rybnik students and secondary school pupils are encouraged to join the camp programme! We have also been looking for sponsors for meals prepared together, materials needed for workshops and so-called pilgrim packages. We need a lot of prayer!

The camp will start on 2nd July (then the guests will come to Rybnik). It will last until the ninth. So I invite you to be with us then!

Two hundred young people took part in the summer camp organised by sisters and brothers from the Fraternity of Tiberiade (pictured) in the Belgian Lavaux St. Anne, an hour away from Brussels. In addition to numerous Belgian and Lithuanian groups, one of the largest was the Polish group from the DAR. The young people lived in tents, prayed a lot and adored the Blessed Sacrament, listened to conferences and interesting lectures. They also worked in the field or garden, experiencing the daily life of the monks. For three days they participated in an "evangelical adventure", walking from house to house and asking for food and accommodation. In return - they shared the joy of the Gospel with people! They experienced a lot in Belgium. Now they want to repeat it in Rybnik!

WHO CAN TAKE PART IN THE CAMP?

Practically everyone. Although the initiative is addressed first to students and youth aged 18-30, younger participants can also take part with the consent of parents. All the registered will sleep in home-stays (those from Rybnik will stay in their own homes). We are looking for volunteers to take guests in...

A symbolic participation fee of PLN 30.00 is intended to support the organisation of the camp and the travel costs of poorer young people from abroad.

Registration is conducted by the University Chaplaincy Centre in Rybnik by e-mail: youthcamprybnik@gmail.com
